This is the ticket to the hottest event this summer. This year delegates from Chrysalis communities all over the country will be jettsetting into Sydney to be part of the Chrysalis National AGM..... so what's this got to do with you I hear you ask! Well Saturday 5 Feb is set to be an awesome night of praise and worship. It will be a fantastic time of worship to say thanks to our heavenly creator for everything he has blessed us with. If you're from NSW Chrysalis or Emmaus communities or anywhere that requires uncomfortable periods of time spent in a car then we'll save you a seat! This night is not one to be missed.
