Gathering

Date: Saturday, 12th July

Time: 6.15pm for dinner and 7pm for Gathering service

A night with a difference - we will be watching a short play called 'The Genealogy Problem' performed by members of the Sydney Board - could we call them The Board Players!!!

Peter Thomas as our Spiritual Director will lead the discussion which hopefully will be lively!!

Lane Cove Lanterns will be serving in the kitchen.

Dinner will be soup and bread supplied by members of the Board. Could everyone else please bring a plate of slice or fruit to share.

Come along and give our Fiji team members a good send off for the Walks.
